Unfinished Business

2019 Pinot Noir

The Hesketh Art Series wines represent the best of our home state, South Australia - one of the most celebrated and diverse growing regions in the world.

Grapes for these wines are grown only in the premium sub regions of Limestone Coast which are best suited to each wine style. The wines are then blended before bottling to a fresh, fruit driven style which is perfect for everyday drinking - or more salubrious occasions.

Background

Fruit for the Unfinished Business Pinot Noir is sourced from a selection of premium cool climate vineyards within the renowned Limestone Coast region.

The grapes for the Unfinished Business were picked early to keep the alcohol low and avoid jammy fruit characters, it was then cold soaked for 5 days to maximise colour extraction. The blend was fermented at warmer temperatures to maximise fruit flavours and minimise reductive characters. Malolactic fermentation was undertaken in stainless steel before the wine was barrelled down to old French oak for approximately 6 months prior to bottling.
