

CALIFORNIA ROOTS

About

Here in the Golden State, our glass is always half full. Maybe it's because of the sunshine, or bountiful colors of the farmers market—whatever it is, life is good here. Inspired, we've crafted a wine that captures the warm, friendly spirit of California

Winemaking

To create our beautifully balanced Chardonnay, winemakers use partial malolactic fermentation and wood aging to impart a smooth, round texture and rich, creamy tones to the wine. Afterwards, the wine is aged in stainless steel tanks to retain the varietal's classic fresh, fruit character and acidity.

Tasting Notes

California Roots Chardonnay is rich and elegant with silky-smooth texture. The fresh aromas of ripe pear and zesty citrus lead to creamy peach and juicy apple flavors on the palate. It's a luxurious experience from the first refreshing sip to the full, lingering finish.
