HOW DO YOU TAKE YOUR COFFEE?

SINGLE DOUBLE

Italian Espresso Style 300 550

Fast. Intense. No nonsense.

This is how Italians do it: small cup, big attitude.

No Wi-Fi, no lingering — just a quick, bold hit of caffeine at the bar and off you go (preferably gesturing with your hands).

Best for: People who say “just a quick one” and mean it.

Cappuccino 350 600

Balanced. Classic. Morning energy.

Equal parts espresso, steamed milk, and foam — the gold standard of coffee comfort.

In Italy it's strictly a morning thing... but we won't judge.

Best for: Slow starts and people who like things just right.

Caffè Latte 400

Smooth. Easy. No surprises.

More milk, less intensity — a longer, softer coffee that takes its time.

The kind of drink you can actually sit with.

Best for: Long chats, laptop sessions, and easing into the day.

Decaf Espresso 400 650

Same ritual. Different consequences.

All the intensity of a proper Italian espresso — just without the late-night overthinking.

Proof that you can have great coffee and still make good decisions.

Best for: Evenings, second rounds, and people who've learned from experience.

Kenyan Coffee (Local Pride) 250

Bright. Bold. A little bit legendary.

Grown not too far from where you're sitting — vibrant, fruity, and full of character.

Basically, the overachiever of the coffee world.

Best for: When you want to impress someone (including yourself).

Americano Style 250 380

Easy-going. No drama.

Espresso, but diluted — like it decided to relax a bit.

Still coffee, just less intense about it.

Best for: Long sipping without emotional commitment.

Iced Coffee Crowd 400

Chilled. Literally.

Same coffee, just cooler (in every sense).

Perfect for Nairobi afternoons when hot coffee feels like a personal challenge.

Best for: Sunshine, sunglasses, and pretending you're not melting

Caffè Corretto (Nonino Edition) 550

Coffee... with better ideas.

A proper Italian classic: espresso “corrected” with a splash of Nonino grappa — smooth, aromatic, and just rebellious enough.

This is where coffee stops being a routine and becomes a decision.

Best for: After dinner, good company, and saying “just one” with confidence.

HOW DO YOU TAKE YOUR COFFEE?

SINGLE

Espresso Martini 980

Coffee goes out-out.

Tito's Vodka, espresso, a touch of sweetness — shaken, chilled, and dangerously easy to like. Somewhere between dessert and a very good idea.

Best for: Late nights, great playlists, and “just one more” that rarely is.

Milk Options: Whole / Almond milk available

TEA & INFUSIONS

Green Tea 330

Light. Clean. Refreshing.

Delicate and calming, with a gentle lift.

Best for: A reset at any time of day.

Black Tea (Kenyan) 475

Strong. Honest. Classic.

Full-bodied and robust — the everyday essential, done properly.

Best for: Morning rituals.

Peppermint Tea 475

Fresh. Cooling. Simple.

Naturally caffeine-free and refreshing.

Best for: After meals.

Dawa (Hot or Cold) 500

Local remedy. Global appeal.

Honey, lemon, ginger — soothing, revitalising, and quietly powerful.

Best for: When you need a little boost.
